

## Kernel PDF Converter Installation/ Un-installation

### Install the Software

Now when you know the robust features and system requirements of Kernel PDF Converter tool, let us install the software in the system. However, before you install the software, make sure that the software installer file is available on your computer. If the software executable is not available on your computer, then download the file from

<https://nucleustechnologies.com/downloads/kernel-pdf-converter.exe>

After downloading the installer file, execute the following steps to install the software:

- Double-click the Kernel PDF Converter software installer file.
- Follow the on-screen instructions.
- When the installation process completes “Completing the Kernel PDF Converter SetupWizard” message appears on the software installation screen.
- Click the Finish button to complete the software installation and launch the software.

### Uninstall the Software

You can uninstall the Kernel PDF Converter software from your computer system by using one of the following two methods:

- ✓ **Uninstall from Windows Start Menu**
- ✓ **Uninstall from Control Panel**

**Note:** Before starting the un-installation process, make sure that the Kernel PDF Converter software is not in use.

### Uninstall from the Windows Start menu

Execute the following steps to uninstall Kernel PDF Converter tool from Windows Start menu:

- Click Start > All Programs > Kernel PDF Converter> Uninstall Kernel PDF Converter.
- A warning message before un-installing the software will be displayed on the screen.

- Click the Yes button to uninstall the software.
- Click the OK button.

Kernel PDF Converter is successfully uninstalled from your computer system.

### **Uninstall from Control Panel**

Execute the following steps to uninstall Kernel PDF Converter software from Control Panel:

- Click Start -> Control Panel. The Control Panel window appears.
- Double-click the Add or Remove Programs icon. A list of the programs installed on your computer appears.
- Select Kernel PDF Converter and click the Remove button. A warning message before uninstalling the software will be displayed on the screen.
- Click the Yes button to uninstall the software.
- Click the OK button.

Kernel PDF Converter is successfully uninstalled from your computer system.
